- This is for all members of the children and young people's workforce, new starters in particular. It will provide participants with information on local priorities, integrated working and further training opportunities
- A Certificate of Attendance will be provided
- Participation will contribute to meeting the Children's Workforce Development Council (CWDC) induction standards for the Children and Young People's Workforce

LEARNING OBJECTIVES

Aim

This is for all members of the children and young people's workforce, and for new starters in particular. It will provide participants with information on local priorities, integrated working and further training opportunities

Objectives

At the end of the session participants will have covered:

- What's happening nationally
- What the Luton Children and Young People's Trust is, and its priorities
- How we are addressing the 5 Every Child Matters outcomes in Luton
- An introduction to integrated working and processes including the Common Assessment Framework, ContactPoint, Information Sharing, Lead Professional and the Multi-agency Family Support Panels.
- Future training opportunities, including Safeguarding
- Where they can get information about children and young people's services within the Children and Young People's Trust
- Who else works with children and young people in Luton.
