## Venues and Halls for Hire Directory

Directory of Organisations No 3

December 2011

This Directory of Organisations contains a listing of venues or halls that can be hired for use by organisations. It contains details of capacity at each venue and also information of additional services and facilities that they may have as provided to us. We have not listed the costing for any of the venues as this is constantly changing. The directory is listed in alphabetical order of towns and villages in Bedfordshire in which they are situated.

This is the third in a series of printed directories focusing on services offered by voluntary organisations and community groups in Bedfordshire.

You can also search for other local groups by clicking on the Find a Local Group icon on our website: <http://www.action-centralbeds.org.uk>
