

Need a helping hand switching to digital TV?

TV is switching to digital. You will not be able to watch TV if you have not switched.

The Switchover Help Scheme is here to help everyone aged 75 and over, or eligible disabled people by providing everything needed to switch one TV to digital:

- Easy-to-use digital equipment;
- Installation by a security checked installer; and
- a 12-month aftercare service, including a free helpline.

This service is available for £40 all inclusive or free if you're eligible and on certain income-related benefits.

If you are eligible for the Help Scheme, you will receive a letter explaining your options.

For further information call free on **0800 40 85 900** or visit helpscheme.co.uk
